

**A BRIEF REPORT ON THE ADVENTURE COURSE  
UNDERTAKEN BY THE STUDENTS OF KV No. 1,AFS,  
TAMBARAM DURING THE SUMMER BREAK 2010-11.**

19 Students of classes 8<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup> & 12<sup>th</sup> were escorted by 2 male staff- members (1) Mr Sarat Kumar Nayak PRT & (2) Mr Krishnakanta PRT (music). We left the Vidyalaya on 9th May 2010 by van 18.30 hrs & reached Chennai Central Rly Stn around at 20.30 hrs. We enjoyed our dinner first & then boarded the train Tamilnadu Exp. at 22.00 hrs. and comfortably reached at New Delhi on 11<sup>th</sup> morning. At the station we took our bath & had our lunch at the nearby hotel. Then we proceeded to Chandigarh at 15.00 hrs by the train Janshatabdi Exp & reached there at 19.30 hrs. From Chandigarh Rly Stn we proceeded to Kv Chandigarh, sector-31 by autos & in a nearby hotel we had our dinner. Really, we are very thankful to the principal, Kv Chandigarh, sector-31 for the nice arrangement for our hosting. After having a relax night in the early morning on 12<sup>th</sup> May we left the same vidyalaya for the bus stand, Chandigarh. After having our lunch we proceeded to Shimla by bus. From there we took another bus to kharapathar & had our dinner. We reached at Regional Adventure Sports Centre, Kharapathar at 23.00 hrs on the same day.

The tracking programme was organized from Kharapathar to Hatkoti from 13<sup>th</sup> May to 22<sup>nd</sup> May 2010. There we had a tight schedule for all the 10 days. Our trip was very memorable & enjoyable as we had an experience of staying in the tents & participating in various activities like mountaineering & tracking, rock climbing, rapling, river crossing and rafting etc. All

of us were thrilled when we gained a height of 13000ft over sea level and from there we saw the snow falling mountains which are really heart touching. The Natural sceneries of Himanchala Pradesh are still remaining in front of us as an unforgettable memory along with those mountains, fountains & temples. There we also enjoyed the different cultural programmes in the nights.

Then at last we returned to Chennai Central Rly Stn back in the same manner we had gone. On 25<sup>th</sup> May evening we all reached at KV No.1 Tambaram by a van.

We have really found no words to express how much we are grateful to the organization for providing such a nice programme to the school students.
